### ICFAI organizes discussion meet

Times News

Agartala, Mar 26: A national level lecture cum discussion on "Environment, Sustainability and Energy" was organized by the Vigyan Prasar, Department of Science and Technology, Tripura State Council for Science and Technology and ICFAI University at ICFAI University campus in Kamalghat on March 25.

Sumanta Chakraborty, Deputy Registrar of NIT Agartala discussed about "Ecological Footprints Sustainable Planet Changes in 21st century". He also said that the environment is becoming polluted by the misdeeds of the people, leading to various kinds of diseases. He said we should strive to make Agartala free from environmental hazards by 2030.

Bishampayan Chakraborty, Superintendent Engineer of Drinking Water and Sanitation (DWS) department informed about the significance of water resources and miss uses by the people. He cautioned the people about the blatant use mineral water and said how the multinational companies are making money by adopting doubtful filtration process. During the conference, about 130 students and faculty members were remained present to make it a grand success.
